Calaveritas Literarias

On **Monday, October 5th**, the call for literary “*calaveritas*” opens, with a final submission date of Monday, October 19th.

In Mexico, a “*calaverita*” is a short, humorous poem, often written as a playful epitaph during “*Día de Muertos*”. These verses depict both the living and the dead in lighthearted situations, humorously poking fun at death and reflecting Mexico's festive approach to it. **This is for Primary only and student participation is voluntary.**
